PERFECT TEN is this property. This one has it all! It has what every discriminating buyer wants to have. * Beautiful newer 2561 square foot single story home * Pebble tech pool with professionally landscaped yard and large covered tile patios. * Home sits on 20 acres amongst your own income producing almond orchard * 20 x 40 workshop building and small detached studio room too! Pe...

PROPERTY HIGHLIGHTS

- Beautiful 2561 square foot single story home built in 1997. Designed for maximum comfort and flow. 4 bedrooms with the master being on its own wing and private patio out to the gorgeous and relaxing yard. Two additional bedrooms on their own wing also. The fourth bedroom or office with a full bathroom next door is also on the other end of the house. Great floor plan for ultimate privacy, entertaining and family fun.
- Pebble tech pool with professionally landscaped yard and large covered tile patios.
