

Eastridge 9.760 Acre Parcel

Tehama County, California

\$39,900 | 9.76 Acres

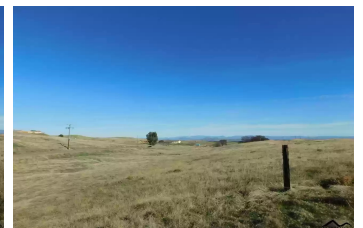

000 Eastridge Road
Red Bluff, California

This is a nice single-family lot tucked back in the hills. Acreage close to town allows for room between neighbors with a short drive to groceries, gym, shopping, and entertainment. This lot is a sloped lot that is located on both sides of the road, allowing for a nice build site at the top of a knoll and maybe a barn or a shop across the street.
