

WILLIAMS RANCH

\$29,310,500 | 945 ± Acres | Colusa County

A holding like no other is being placed on the market for the first time since the family was handed the homesteading paper signed by Abraham Lincoln.

Now encompassing 945 acres covered in young almond trees.

This ranch is all about trees, covering 899 acres, irrigated by drip from 6 wells tied together with an underground mainline.

Plus, additional water from Colusa County Water District.
